Request for Proposal

"Supply and installation of passive network accessories at upcoming three urban branches for the establishment of LAN (Local Area Network) infrastructure for online banking operations of Citizens Bank"

Tender Submission Deadline: October 05, 2023, by 04:00 PM

#### 1. Introduction

Citizens Bank PLC (সিটিজেনস ব্যাংক পিএলসি) is one of the fifth-generation banks, 61st Private Commercial Scheduled Bank in Bangladesh.

The bank started its commercial banking operations on July 03, 2022. After launching, the bank is continuing its business with a total of six branches.

#### 2. Scope

This document constitutes a formal Request for Proposal (RFP) for the "Supply and installation of passive network accessories at upcoming three urban branches for the establishment of LAN (Local Area Network) infrastructure for online banking operations of Citizens Bank" including associated services as per the functional and technical requirements given in this RFP.

#### 3. Instruction to Bidders

Citizens Bank reserves the right to reject any or all proposals, to waive any informality or technical defect in the proposals, or to award the contract in whole or in part if deemed to be in the best interest of the Bank to do so. The Purchase Committee/Managing Director will award this contract to the firm as the most responsive and responsible offer, based on the criteria specified herein.

Additionally, the Bank reserves the right to alter the mentioned functional and technical requirements, in part or whole, during the proposal evaluation process, and without re-issuing the RFP. All claims for functional/technical delivery made by the bidders in their response to the proposal shall be assumed as deliverable within the quoted financial offers.

The successful bidders must follow Bangladesh Bank's Guidelines on ICT Security for Scheduled Banks and Financial Institutions, during device configuration and implementation.

#### 4. Bidder Qualifications:

- The bidder company should be registered and working in Bangladesh having a long business track in the same type of business.
- Minimum Five (5) years of experience in selling proposed/similar Solutions. Proof of the necessary experience is to be enclosed.
- The bidder shall not be under a declaration of ineligibility for corrupt, fraudulent, collusive, or coercive practices.
- The bidder should have the capability to provide after-sales support for given solutions.
- Bidder should have a minimum of four (4) existing customers (preferably in the financial sector) for offered solutions.

#### 5. Tender Submission Method:

Technical and Financial proposals should be submitted by the bidder in separate envelopes signed and sealed by the authorized personnel of the bidder organization. Technical Offer will contain exhaustive and comprehensive information about the proposed solution and details of the Bill of Material and Services without pricing, whereas the Financial Offer will contain the detailed item-wise price breakup & services with pricing information.

### **DELIVERS PROPOSAL TO:**

Executive Vice President & Head of ICT Division Citizens Bank PLC Chini Shilpa Bhaban-2 76, Motijheel C/A Dhaka-1000

#### 6. Bank Authority rights:

The Bank reserves the right to reject any or all proposals without showing any reason and shall not be under any obligation to accept the lowest price quotation. The authority reserves the right to relax, change, or drop any of the terms and conditions of the schedule without any further notice.

## 7. Delivery, Installation, and Commissioning:

The successful bidder shall ensure the delivery of all devices within twenty (20) days from the date of the work order and installation, configuration, and testing by the next twenty (20) days of successful delivery. Production days will be counted from the date of live placement of the order by Citizens Bank to the successful bidder.

#### 8. Quoted Price:

All quoted Total Price/Amount should include delivery, installation, testing, and training costs and AIT, VAT, Tax, and Other Duties applicable as per Govt. rules and Bank Policy. All prices shall be quoted in Bangladesh Taka (Tk.) and the payment will be made in BDT to the successful bidders.

#### 9. Brand and Price Validity for SIP IP-Phones:

- The SIP IP-Phones prices must be valid up to March 2024.
- Brand of Phone Sets: Fanvil/Yealink/Dinstar/Grandstream. The bank may procure a single brand of full quantity or may procure multiple brands of different quantities.

### 10. Warranty/Support:

> Selective products should have one (01) year replacement warranty.
